

Time to try Town Beach

by Kim & Glenn - Resident Managers

Town Beach Port Macquarie - a place for fun

We are so excited to be taking over the management of **Town Beach Motel and Apartments**. By the time you read this, we will already be there and we look forward to welcoming you back to Port Macquarie. If you have not stayed with us previously at **Waterview Apartments**, then there is no better time to open your calendar and confirm dates you can come and stay and enjoy what is reputed to be the most temperate climate in Australia. It is never too hot or too cold. The town has so much to offer that you will have no trouble filling your days. You will also enjoy filling your tummies at some of the lovely cafes and restaurants. Treat yourself, after all, you are on holidays.

There is inevitably a touch of sadness in leaving **Waterview**, as would you believe it has been our home for 9 years! However, we will now have more rooms to be able to accommodate more API members and their guests.

We have been working with the current owners to ensure there is a smooth handover to **Town Beach**. We have seen firsthand how much the guests love it there. The gardens are so well manicured, Glenn is itching to apply his green thumb to them. The pool is a clear favourite relaxation spot even for those not dipping in their toes in this slightly cooler time of year. There is a feeling of tranquillity about the rooms.

We have some motel style rooms, some of which will be converted into studio apartments. There will also be a 3-bedroom facility available.

The Koala Hospital is just 3 minutes away

We are particularly excited about being able to offer some segregated **pet friendly** rooms. Make sure you call us to book the right rooms if you would like your fur-babies to come on holiday with you.

We will also have a room designed for people with mobility issues. It is designed to accommodate wheelchairs in the bathroom etc so there is no excuse not to come to Port Macquarie for a holiday.

Town Beach Motel and Apartments set in manicured gardens

“ Welcoming API members to a new holiday facility. ”

Location wise, we are closer to Town Beach itself, approximately 400 metres away - which will be welcomed by sun worshipers and castle builders alike. We are also closer to the ever-popular Bowling Club, which might be dangerous for our waste lines as the meals they serve are a big attraction.

The pool is relaxation area

We are just 3-minutes' drive from the Koala Hospital and 5-minutes to Smokey Cape Lighthouse. A few minutes' walk along Gordon Street will also bring you to the Port Macquarie Olympic swimming pool/aquatic centre.

So, if you are looking for a place to relax with plenty of activities around you; too many dining options and lovely managers (Glenn made me put that in!), then call us to book your holiday. Do it today. **API**

Check out the facilities and book your API holiday online at www.apilifestyle.com.au or call us directly on 02 6583 8899.
